## WHY THERE REALLY IS NO BETTER COVER FOR YOUR ROOF

The Polyroof, 20-year Guarantee is supported by an insured and independently administered Trust Fund.

For your total security and peace of mind Polyroof Products Limited will indemnify any customer against their liability in respect of the cost of labour and materials incurred in rectifying degeneration of glass fibre roof materials supplied by the Company and installed in accordance with their instructions by an approved contractor.

An Independent Trust administers

the Guarantee and therefore protection will continue irrespective of the existence of Polyroof Products Limited. The Trustees have arranged an annually renewable insurance to augment this valuable protection with leading UK insurers.
